EXPERIENCE

IT Operations Support Intern | Concentrix

March 2026 – June 2026

- Managed IT incident tickets using **BMC Helix** to track technical issues and support requests.
- Performed **Windows reimaging and workstation deployment** using BigFix, Acronis, and Windows 11.
- Diagnosed and resolved hardware and software issues involving computers and peripherals.
- Assisted with **LAN, internet, and VPN troubleshooting** for end-users.
- Provided basic technical support for workstation and network-related issues.

EDUCATION

Bachelor of Science in Information Technology — Magna Cum Laude

Pateros Technological College | September 2022 – August 2026

- Developed technical knowledge in web development, software development, database management, operating systems, and computer hardware.
- Built a strong foundation in computer networking, system administration, and network configurations.

PROJECTS

PTC Digital ID & QR Attendance System

HTML | CSS | JavaScript | PHP | MySQL |

- Developed a web-based digital ID and QR attendance system for student registration and identification.
- Implemented digital ID generation, QR code generation and scanning, registration, and attendance logging.
- Designed database functionality using **MySQL** and developed the system using **PHP and XAMPP**
- Created responsive web interfaces using HTML, CSS, and JavaScript..

Wedding Invitation Website

HTML | CSS | JavaScript

- Developed and deployed a responsive, interactive wedding invitation website with custom design and JavaScript functionality.
